

UTC			Unconferences	Hackathlons	Workshops
Day	Start Time	End Time			
Preliminary program. Last updated: 20 June 2023					
INTRODUCTION					
17/10	07:00	07:30			
17/10	07:30	08:00	U1: Addressing Research Waste in Ecology		
17/10	08:00	08:30			
17/10	08:30	09:00		H1: Open code and data practices during peer review	
17/10	09:00	09:30			
17/10	09:30	10:00		H2: The first 1000 EcoEvoRxiv preprints: did they get published and where?	
17/10	10:00	10:30			
17/10	10:30	11:00			
17/10	11:00	11:30			
17/10	11:30	12:00	U2: Do we need an alternative to pre-registration in ecol. & evol.?		
17/10	12:00	12:30			
17/10	12:30	13:00			
17/10	13:00	13:30	U3: Complexities of reuse and synthesis in the open data landscape		
17/10	13:30	14:00			
17/10	14:00	14:30	U4: Could Open Science practices bias peer review?		
17/10	14:30	15:00			W1: Open data for state-structured population ecology
17/10	15:00	15:30			
17/10	15:30	16:00			
17/10	16:00	16:30			
17/10	16:30	17:00	U5.1: What is SORTEE and what could we become?		
17/10	17:00	17:30			
17/10	17:30	18:00			W2: Canadian Science Publishing Open science
17/10	18:00	18:30			
17/10	18:30	19:00		H3: Evaluating and promoting OS policies at journals and funders	
17/10	19:00	19:30			
17/10	19:30	20:00	U6: Global South challenges and accomplishments in FAIR science		
17/10	20:00	20:30			
17/10	20:30	21:00			W3: Making your first R package
17/10	21:00	21:30			
17/10	21:30	22:00			
17/10	22:00	22:30	U7: Diversity and inclusion in big data ecology		
17/10	22:30	23:00			
17/10	23:00	23:30			W4: Data validation for small and medium sized datasets in ecology and evolution
17/10	23:30	00:00			
18/10	00:00	00:30			
18/10	00:30	01:00		H4: Developing support resources for the creation of minimal reproducible examples	
18/10	01:00	01:30			
18/10	01:30	02:00	U8: Reporting and publication bias in ecology/evolution: how much should we worry, and what should we do?		
18/10	02:00	02:30			
18/10	02:30	03:00			
18/10	03:00	03:30			W5: Creating reproducible workflows in R with the targets:: package
18/10	03:30	04:00			
18/10	04:00	04:30			
18/10	04:30	05:00			
18/10	05:00	05:30		H5: Do learned societies in ecology and evolution provide equitable access to their memberships?	
18/10	05:30	06:00			
18/10	06:00	06:30			
18/10	06:30	07:00			
18/10	07:00	07:30	U5.2: What is SORTEE and what could we become?		
18/10	07:30	08:00			
18/10	08:00	08:30			
CONCLUSION
